

2010 FUNDRAISING DRIVE

Help Sponsor a Child!!!

[YOUR SUPPORT KEEPS ARTSVIEW CHILDREN'S THEATRE A REALITY FOR CHILDREN IN THE EAST TEXAS AREA](#)

It costs ArtsView Children's Theatre approximately \$125 per child to offer their wonderful productions, summer academies and Saturday workshops during the year.

This amount includes the costs of sets, costumes, props, scripts, music, lighting, sound, building usage, directors, expendables, etc. Hundreds of children are involved at ArtsView Children's Theatre and we want to continue to offer the much needed resources to remain a source of pride for the community.

ArtsView Children's Theatre is indeed the home of "wide-eyed wonder". We have created a place where the stars will shine for a whole new generation of Longview children and a place where ACTING UP is ALWAYS FUN!

ArtsView Children's Theatre
Changing lives through education, outreach, and the performing arts!

- **Featured on Website**

Donations up to \$1000:

- **Recognition in Season Programs**

ArtsView Children's Theatre, a non profit, 501 (c) 3 organization, established in the spring of 2004, is committed to a progressive theatre arts education and outreach program that ignites youth with an enduring passion for the performing arts through both observation and participation. Our challenge is to provide children's programs as a way to educate tomorrow's audiences about the joys of the performing and visual arts. We are also called to nurture the development of the performing arts in our community through education and to create, produce and perform works that engage the entire family.
